Print Twice

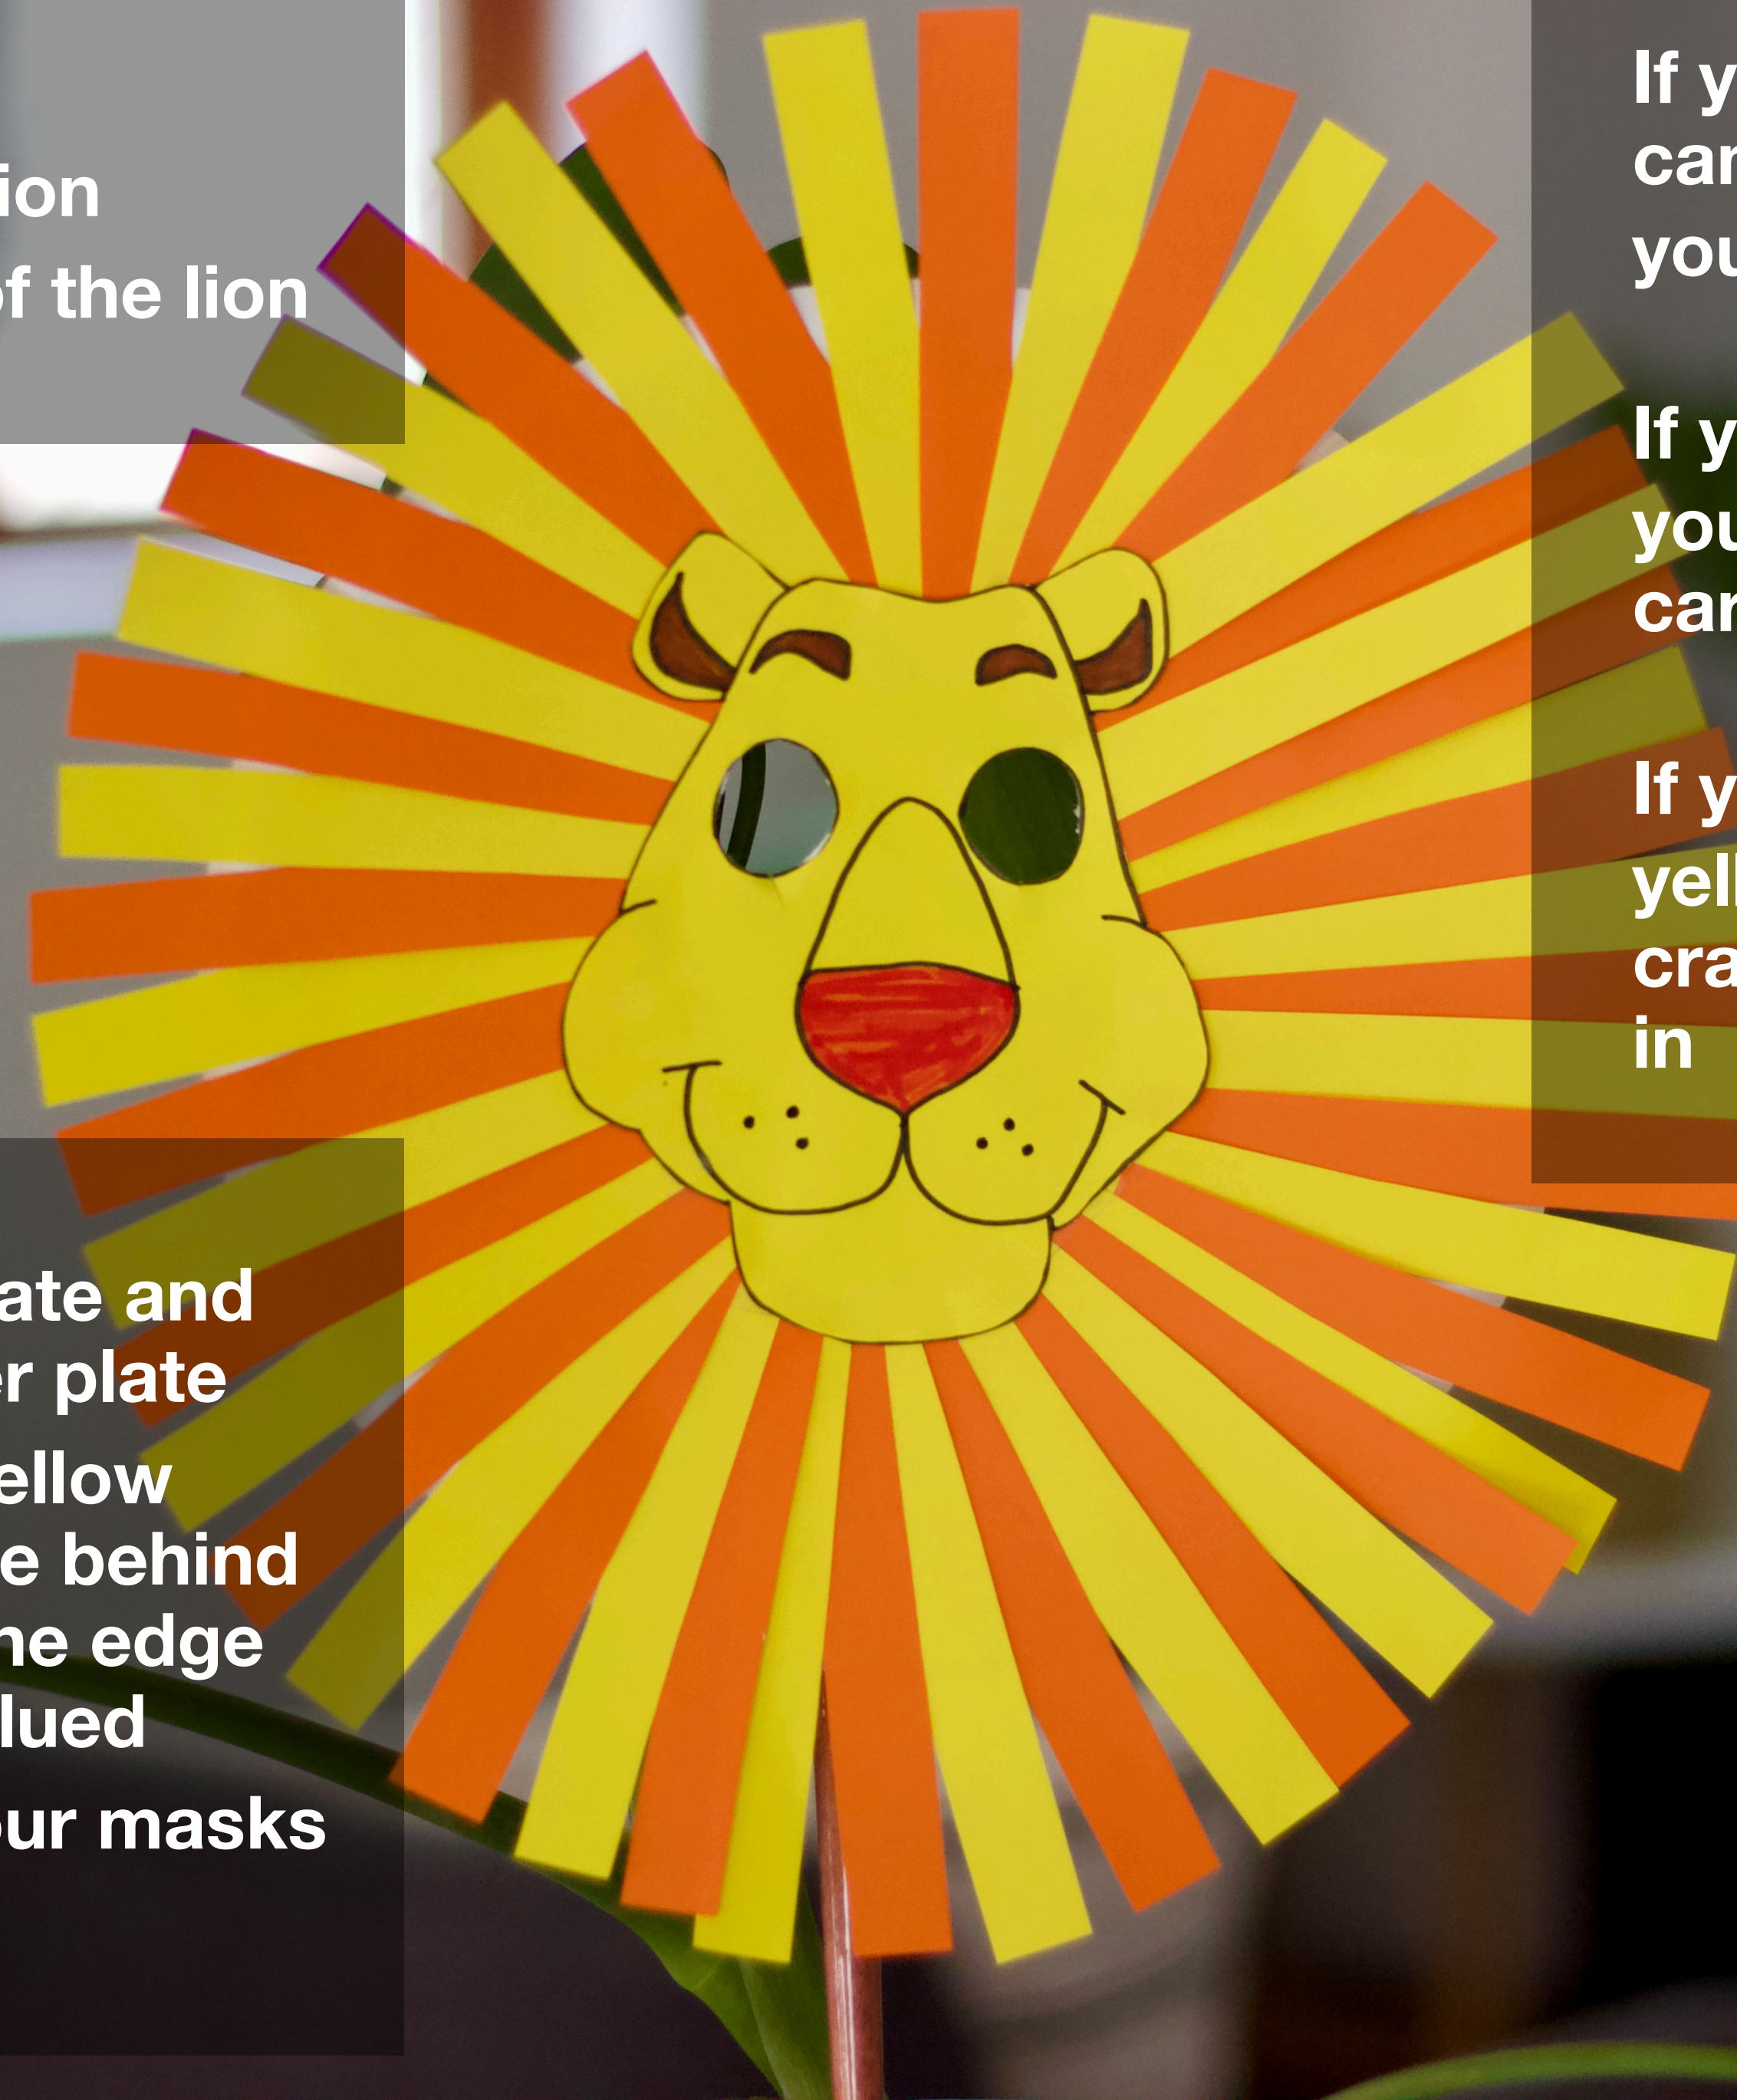

Instructions on next image

1. Colour your lions face
2. Cut out the eyes of the lion
3. Apply glue to the nose of the lion

If you don't have a printer, you can trace the lions face off your parents computer

If you don't have a paper plate, you can cut out of circle from cardboard

If you don't have orange or yellow paper, use your kokis or crayons to colour the template in

4. Stick it on your paper plate and cut out eyes of the paper plate
5. Stick your orange and yellow pieces to make the mane behind the lions face - ensure the edge of the lions face is not glued
6. Find a stick to use as your masks handle
